

CONFERENCE ON WAGE AGREEMENT STRIKES BIG SNAG

Differences Among Operators Cause Ad- journment Friday

(By The Associated Press)
NEW YORK, Jan. 19.—The joint conference of bituminous coal operators and union representatives apparently was halted in its efforts today toward a wage agreement.

Statements of leaders at the day's end indicated that harmony of the first two sessions had given way to conflict. The possibility of a strike when the existing contracts expire next April 1 was regarded again flanked by charges of certain operators that other operators were deliberately putting the "brakes on" the negotiations in order to create "public apprehension" and a rising market for coal.

The joint conference scheduled for today portended progress. The miners were to present their demands; the operators were to caucus and submit counter demands; sub-committees were to be named to consider each.

Instead an adjournment until tomorrow was voted immediately after roll call this morning at the request of the operators, and the miners gained a holiday, leaving the operators in conference to settle the factional disagreements which had arisen over night.

At 1 p. m., they took a recess until 4 o'clock and an reconvening remained in session only a few minutes.

Michael Gallagher, president, reported they "had just talked things over."

Labor leaders reported that the employers had informed them the conference was an attempt to decide whether to accede to the unions anticipated demand for a two year contract. A sub-committee had been named to consider the advisability of sending a delegation of operators to Washington to seek the advice and possibly the "persuasive" assistance of the administration.

In this connection union delegates revealed that the employers had suggested yesterday that a joint delegation be sent to the capital to seek the government's assurance of immunity from prosecution under the Sherman anti-trust law if the proposed wage contract was negotiated between the United Mine Workers and the mine owners of the three state central competitive field.

The miners refused to send their men on such a mission. The lack of progress in the negotiations appeared tonight to disconcert the miners not at all.

"We don't mind waiting a little," said one of their spokesmen. "We are confident we will be signed up before April 1. No man in this conference believes wages at mines should be lowered, and we are agreed with the operators that the new scale shall be a continuation of the existing one. The only questions now are:

"1. Will the contract be signed now or after public apprehension of a strike has enabled certain producers whose output is not contracted, to make a profit of 25 cents to \$1.

"2. Will the contract run for two years as we desire, or for one year as the operators ask.

"3. Will we be held in violation of the Sherman law in negotiating a contract?"

According to another union delegate the miners are not tremendously concerned about the two year clause and would not delay an agreement for its sake. This official declared one faction of operators was ready to hurry negotiations as "they would rather ally public apprehension of a strike and thus gain immunity from public sentiment demanding government regulation of the bituminous industry."

A statement intended to ally just such a public apprehension was issued tonight by Phil H. Penna, secretary of the Indiana Coal Operators' association.

"In my opinion there is not now, nor has there been at any time the remotest danger of a strike in April," he asserted.

ATTORNEY GENERAL SPRINGS SURPRISE IN KLAN HEARING

Puts R. W. Whetstone, Important Witness, on Stand

(By The Associated Press)
BASTROP, La., Jan. 19.—Attorney General A. W. Cocco, conducting the investigation into the operations of masked bands in Morehouse Parish sprang a surprise today when at the opening of the afternoon session of the open hearing he placed R. W. Whetstone on the stand. Whetstone regarded as the state's most important witness in its effort to identify the kidnapers and slayers of Watt Daniel and T. P. Richard, named T. Jeff Burnett, former deputy sheriff now under arrest on a charge of murder as a member of the masked band that had Daniel and Richard in charge the evening of August 24 on the Bastrop-Mer Rouge highway.

Whetstone, since stating several weeks ago that he had identified one or more of the masked men has been in charge of the authorities at an announced place and he was escorted to court by Detective Chief Glinn of the New Orleans police department. When he left the room accompanied by Glinn they were joined by agents of the federal department of justice and it was assumed he was taken to Baton Rouge or some other city.

Newt Gray declared yesterday by Fred Eubanks to have been a member of the band which kidnaped Daniel and Richard, was named again today as one of the party.

Mrs. J. G. Inabnet, testified that after attending the barbecue at Bastrop, she started for home in an automobile driven by Thelma Dade niece of Watt Daniel.

She said the car was held up by the masked band and when it was ascertained no men were aboard it was ordered to proceed. Miss Dade saw J. L. Daniel, her grandfather and uncle both blindfolded and guarded by hooded men.

Mrs. Inabnet said the mask of one of the hooded men was torn and that she recognized him as Newt Gray.

Whetstone who resides at Oak Ridge, walked to Bastrop to attend the celebration. He left for home in the evening and saw an automobile parked near the highway. On approaching he discovered the persons about the fire were blackhooded men.

He almost reacted then before he was noticed, he said and when fifty feet away one of the men called him by name. They forced him to approach, gave him a buck and told him to get into a car and ride to Oak Ridge.

Whetstone said on his return he sat for thirty minutes in the midst of the party. He noticed that the telephone lines had been cut.

"Pretty soon," he continued, "the crowd from Bastrop and all got held up. 'About 20 minutes later some one told me that they had Watt Daniel, J. L. Daniel, W. C. Andrews and those other fellows. Then I got loose from them and caught a car and rode to Oak Ridge."

Asked if he recognized any of the masked men Whetstone replied:

"Yes, J. T. Burnett."

"Are you positive?"

"Yes, he had his mask up."

"Did he ever indicate afterward that he knew you had recognized him?" Attorney General Cocco said.

"Yes, every time I would see him he would smile at me just as if to say, 'well, you know'."

WANAMAKER WILL FILED YESTERDAY

(By The Associated Press)
PHILADELPHIA, Jan. 19.—The will of the late John Wanamaker filed today, leaves \$200,000 to the trustees of the general assembly of the Presbyterian church in the United States of America for the Bethany Collegiate church. Gifts of \$50,000 each are made to the Friendly Inn, Philadelphia, and the Bethany Brotherhood, which is connected with the Bethany church, of which Mr. Wanamaker was a member. A million dollars in trust is given to each of his two daughters and the residue of the estate after disposing of other bequests is to be "used for building of a home for boys in Philadelphia whose misdeeds have subjected them to the law."

DIRECT ALTON AND ITS EMPLOYEES TO SUBMIT DISPUTES

W. G. Beird, Receiver of Road, Takes Issue with Board's Order

(By The Associated Press)
CHICAGO, Jan. 19.—The railroad labor board today directed the Chicago & Alton railroad and its employees involved in pending wage disputes each to submit their case in writing within ten days.

W. G. Beird, receiver and president of the Alton, holds that in the case of that road the hearings should be separate from the other cases involving the standard union employees. The Alton's wage questions, involving engineers, firemen and yardmen, have been pending for a year but the road's general wage matters have been decided in part and it deemed advisable by the labor board and the parties interested to submit the pending question in writing to save time.

W. S. Stone, head of the brotherhood of locomotive engineers made opposition to Mr. Beird being heard, although Mr. Beird did not ask for an oral hearing and the understanding was reached yesterday that the case would be presented to the board in writing.

CHICAGO AUTOISTS KILL 27 IN 19 DAYS

(By The Associated Press)
CHICAGO, Jan. 19.—Three persons were killed by automobiles in Chicago during the 24 hours ending tonight, bringing the total for the month to 27. Another man was run over and probably fatally injured.

Mrs. Hannah West, 72, was instantly killed and her daughter fatally injured when they were struck by one automobile and run over by another on Sheridan road tonight. A few blocks away Howard B. Jackson, head of a brokerage firm and one of the best known grain dealers in the United States was killed by another automobile this morning.

The grand jury today voted a manslaughter indictment against an autoist, the second indictment of the kind in ten days and a coroner's jury investigating another automobile death discovered that a 36 year old boy employed to drive the death car did not have a driver's license. The county board referred to the budget committee a request from Coroner Wolff for \$30,000 to be offered in \$500 rewards for apprehension of auto slayers who fail to surrender.

DEMOCRATS LINE UP ON LEADERSHIP

(By The Associated Press)
WASHINGTON, Jan. 19.—The definite lineup of Democratic senators in the contest for the minority leadership of the senate in the next congress as disclosed tonight by managers of the campaign of Senator Simmons of North Carolina, showed a neck and neck race for the position between him and Senator Robinson of Arkansas. They are aspirants to succeed Senator Underwood of Alabama who will resign the Democratic leadership March 4.

Claims of positive "pledges" for Senator Simmons of 15 Democratic senators now sitting and will be in the next senate were made against 14 for Senator Robinson. The result it was said hinged on the action of ten new senators-elect some of whom are pledged to either side and a few declared in the doubtful class.

The 18 senators claimed for Senator Simmons are largely from the south.

Among the 14 conceded by the Simmons managers to Senator Robinson were Bayard, Delaware; Caraway and Robinson, Arkansas; Gerry, Rhode Island; Harrison, Mississippi; Kendrick, Wyoming; Reed, Missouri; Slagle, Kentucky and Underwood, Alabama.

Committee Report on Unification Approved

(By The Associated Press)
CINCINNATI, O., Jan. 19.—The report of the committee of ten on unification of the Methodist Episcopal Church and the Methodist Episcopal Church South, was approved in a joint session of the two commissions this afternoon and then referred back to a re-organized committee of 16 which will work out details of the plan to be submitted to another joint commission meeting.

The committee of 16 composed of two bishops, three preachers and three laymen of each division of the church will meet in St. Louis on March 27 and endeavor to develop the details of the plan of principles submitted. Bishop William F. Anderson of Cincinnati, resident bishop of the Methodist Episcopal Church was selected as chairman of this body.

The report of the committee of ten which was subsequently approved by the joint commission holding the Methodist Episcopal Church and the Methodist Episcopal Church South are essentially one church, one in origin in spirit, in belief, in policy, in ministry and in purpose and believe that they should become one in name in ritual in terms of membership in administration of activities and bodies in the home and foreign fields. The report suggested the adoption of a plan for the reuniting of the two divisions of the church by approval of a constitution with a general conference and two jurisdictional conferences.

Further the report suggested that each division of the church have a jurisdictional conference with the full powers now possessed by the general conference, except insofar as those powers may be limited by the constitution of the general conference.

"The question of changing the name of the church" was left open for future consideration. In order to reunite the church which has been separated for seventy-nine years, the joint commission must approve the committee report.

Following this action the amplified report goes to the annual conferences of the respective divisions of the church and upon its approval by these bodies, will be presented to the general conference for final approval and ultimate unification of the church.

APPLICANTS HAD QUESTIONS STATE TESTIMONY SHOWS

Evidence Introduced to Show
Examination Papers
Raised

(By The Associated Press)
CHICAGO, Jan. 19.—Evidence introduced by the state to show that questions and answers for examinations for medical licenses were in the hands of applicants before the examination was introduced today in the trial of W. H. H. Miller, former head of the state department of education and registration and three co-defendants who are charged with conspiracy as a result of the alleged sale of licenses. Testimony that grades as marked by the board of examiners had been raised also was introduced.

Dr. L. C. Taylor of Springfield, secretary of the board of medical examiners was the state's principal witness. He said that after Miller had charge of the department he personally delivered to Miller the questions to be asked. Dr. Taylor said that during the January 1922 examination he had been handed a book bearing on its face the name of Pauline M. Leonard, one of the applicants and which contained the questions and answers for the examination. He said when he told Miller of this and said he intended to question the applicant Miller told him to be "careful of what you ask her." The applicant passed Taylor said.

The secretary of the pharmacy board testified that the marks given several applicants by the board had been raised until they were given passing grades.

HARDING'S CONDITION GREATLY IMPROVED

(By The Associated Press)
WASHINGTON, Jan. 19.—The condition of President Harding who has been confined for several days with an attack of the gripe was declared by his physician, Brigadier General Sawyer, tonight to be very much improved. During the day he moved about his room after being confined for some time to his bed and it was said his fever had disappeared. Also it was said his appetite had awakened.

Dr. Sawyer said the president would not be permitted to visit his office tomorrow and at the executive offices it was asserted that no engagements had been made for the early part of next week.

BANDITS SHOOT TWO IN ATTEMPTED ROBBERY

(By The Associated Press)
NEW YORK, Jan. 19.—Three armed bandits today shot two employees of the Brooklyn Union Gas company in an ineffectual attempt to rob them of a \$7,500 payroll. The bandits escaped.

The attempted holdup occurred in the Fitter's school maintained by the company in Brooklyn. William Wills, a company chauffeur received a bullet in the abdomen and was taken to the hospital in a critical condition. John Edwards, a clerk, was shot in the shoulder.

POLAND ACTING WITH GREAT POWERS

Warsaw, Jan. 19.—Polish Telegraph Agency. Foreign Minister Count Skrzynski told the foreign affairs committee of the house today that Poland was acting in solidarity with the great powers on the question of Memel. The presence of English forces in the affected district and the expected arrival of French warships, he said, was sufficient guarantee for Poland that the prestige of the treaty of Versailles would be re-established.

MONROE CITIZEN SHOT BY DEPUTY SHERIFF

Bastrop, Jan. 19.—By the A. P.—John B. Parker, Jr., prominent citizen of Monroe, was shot and probably fatally wounded at Monroe tonight by Carey Calhoun of Bastrop, brother of Laurie Calhoun, acting deputy sheriff of Morehouse parish, according to reports received here.

ASKS MINISTER TO WITHDRAW

New York, Jan. 19.—Bishop William T. Manning of the Protestant Episcopal church tonight made public a letter calling on the Rev. Percy Stickney Grant, rector of the Church of the Ascension, "to correct unmistakably the impression which you have publicly given of your disbelief in our Lord Jesus Christ as God and Savior, or if it is not possible for you to do so, then to withdraw from the ministry of this church."

CAPPER MEASURE WAS PASSED BY SENATE FRIDAY

Several Attempts to Amend Bill Met With Failure

(By The Associated Press)
WASHINGTON, Jan. 19.—Passage by the senate today of the Capper agricultural credits bill was followed by arrangements for immediate consideration of the supplementary farm credits measure the Lenroot-Anderson bill.

Intervention of an appropriation bill and other routine measures threatened to defer opening of debate on the Lenroot-Anderson measure until Monday.

The Capper bill was passed without opposition or a roll call but after several futile attempts had been made to amend it. Considerable criticism revolved about its alleged insufficiency to aid the farmer and the advocates of the Lenroot-Anderson bill contend it will go much further.

Administration leaders are agreed upon a policy of holding the Lenroot-Anderson bill before the senate until disposed of before proceeding with the administration shipping bill. It is hoped to reach a vote on the last farm bill next week and break the legislative jam which has held up the shipping measure.

A substitute shipping bill introduced by Senator McKellar, Democrat, Tennessee would strike out the cash government aid provisions of the administration bill and abrogate commercial treaties which congress sought to annul for some time, abolish discriminating rates from Atlantic ports and declare a ten year policy of government ship operation.

The McKellar bill was said to be promised considerable support especially from Democratic opponents of the administration. His substitute would provide that in lieu of the cash aid, the five percent rebate to exporters who ship goods in American vessels.

Prompt consideration by the house of the senate's farm credits program is said to be assured a committee already being engaged at work on the matter. In both the senate and house the principal contest over the legislation is predicted for the Lenroot-Anderson bill because of its government aid features thru plans for federal subscription to 350,000,000 stock for 12 new credit departments under the farm loan law.

The bill's principal provision is for the organization of cooperative credit associations with \$250,000 capital and amendments to the federal reserve designed to extend farmers credit.

PROMINENT HAVANA PHYSICIAN BURNED TO DEATH FRIDAY

Sparks from Pipe Set Fire
to Bath Robe and Bed
Clothing

(By The Associated Press)
PEORIA, Ill., Jan. 19.—Seri-

ously burned when his bathrobe was set on fire by sparks from his pipe, Dr. C. A. Morrill, prominent physician and surgeon of Havana, Ill., died at St. Francis hospital today. He had been a patient at the institution since last fall.

He was sitting in a chair, wrapped in his bathrobe and bedclothing and smoking his pipe. As his nurse left the room she heard the doctor scream. Sparks from his pipe had ignited the upper portion of his bath robe and the bed clothing.

With the aid of nurses and hospital attendants the flames were extinguished.

Dr. Morrill has been a practicing physician and surgeon at Havana, Ill., for thirty years. Prior to making Havana his home he practiced at Sterling, Ill., for several years.

INDICTED MAN IS NOW SHERIFF

SPRINGFIELD, Ill., Jan. 19.—Indicted on charges of embezzlement, while Sheriff of Greene county, Ill., Jesse R. Edwards is now acting sheriff of Noble county, Minnesota, according to requisition papers issued today by Governor Small.

He disappeared in 1918 when shortage in his funds was discovered. He was indicted in 1921. According to information supplied Governor Small, Edwards was deputy sheriff and became sheriff of Noble county when the sheriff there was killed.

GAS CLAIMS VICTIM IN PEORIA

Peoria, Ill., Jan. 19.—Gas, which escaped from a leak in the engine room of the gas plant of the Central Illinois Light company tonight claimed the life of Carl F. Hays, engineer, and overcame Thomas Wasson, an assistant engineer. Hays dropped dead after dragging Wasson outside the plant.

HEARING IN OIL INVESTIGATION IS SUSPENDED

Action Prevents Clash Between Oil Man and LaFollette

(By The Associated Press)
WASHINGTON, Jan. 19.—Suspension by the senate oil investigation committee of its examination of Harry F. Sinclair pending his appearance Monday under senate subpoena with books of the Hyva Corporation prevented today a further clash between the oil man and Chairman LaFollette and tonight it appeared that the whole matter might be passed over without exercise of further forcible methods on the part of the committee.

Mr. Sinclair had been expected to take the stand today to testify as to operations of his other companies and the convening of the committee found him on hand with his staff of attorneys, subordinate officials and assistants.

Immediately the committee was called to order, Chairman LaFollette read into the record a statement he had prepared reviewing the circumstances of yesterday's clash with Mr. Sinclair and concluding with the announcement that the committee had found it advisable in the interest of orderly and proper procedure that Mr. Sinclair's testimony should not in the future be taken under the compulsion of legal process x x x and Mr. Sinclair's further examination is therefore, suspended until that time (Monday).

Chairman LaFollette then invited any "volunteer witnesses" other than Mr. Sinclair to take the stand and J. W. Carnes, sales manager of the Sinclair Refining company testified briefly on technical matters. During Mr. Carnes' testimony, Mr. Sinclair left the room and soon after took a train for New York. His representatives said he would be back Monday morning and examination later of the subpoena issued by action of Senator LaFollette led to the belief that the information sought thereunder by the committee would be made last night by Mr. Sinclair be given without protest.

The subpoena shows that Mr. Sinclair is called upon to produce the articles of incorporation and by-laws and the records of the board of directors' meeting, stock books and stock transaction books of the Hyva corporation of which he is president, director and principal stockholder and any and all books and records which will show in detail the transaction of the 80,000 shares of the Hyva corporation which was exchanged for one million shares of Class A of the Mammoth Oil company stock and 1,500 shares of Class B, Mammoth Oil company stock and any and all other books and records in your possession or under your control which may give any information respecting the above mentioned exchange of stock."

Comparison of these demands with the information which Mr. Sinclair said in his statement he would furnish show little difference between what the committee wants and what Mr. Sinclair is willing to give.

NO REQUEST TO PROBE KU KLUX KLAN

(By The Associated Press)
INDIANAPOLIS, Ind., Jan. 19.—No request for an investigation into the alleged activities of members of the Portland, Indiana unit of the Indiana National Guard in participating in a parade staged at Portland Wednesday night, by the Ku Klux Klan in defiance of orders of Mayor Fleming of that city has been received at Governor McCray's office, it was announced. State authorities said they had received no official report of any friction between officials at Portland and members of the Ku Klux Klan.

Mayor Fleming of Portland announced that he was in possession of information that members of the state guard were connected with the Klan and had participated in the parade and would take up the matter with Governor McCray for action. Despatches received here tonight from Portland said A. A. Kist, editor of the Portland Republican, a publication which has been attacking the Klan, had received a communication purporting to be from the Klan requesting him to leave Portland.

Delos Duty, state's attorney of Williamson county, refused to comment on the verdict, but A. W. Kerr, chief of counsel for the defense, declared:

"It was the only righteous verdict which could have been given and it ought to be the birth of a new era in the industrial disputes in America and the abolishment of the use of hired gunmen in controversies between capital and labor."

GREEKS CONCENTRATING TROOPS TURKEY SAYS

(By The Associated Press)
CONSTANTINOPLE.—An official communique issued by the Turkish government declares that the Greeks, taking advantage of the allies' negligence, are concentrating troops along the entire length of the Maritza river and have established strong contingents at Karagatch, in violation of the Mudania armistice convention.

Some Greek detachments, according to the Turkish statement, actually crossed the Maritza which divides western from Oriental Thrace and fired on the inhabitants of a Turkish post, causing some casualties.

Many cities are likely to oppose the proposed amendment to the national constitution which would do away with tax exempt

securities. Their reason would be the belief that such an amendment would make it more difficult to secure funds for special building of development projects. Nevertheless there is no denying that the opportunity of purchasing tax exempt securities often takes money which otherwise would go into the general channels of business development.

It will take 14 billions of paper marks to pay the weekly wages of the workers in the Ruhr district. The figures would be funny if the situation over there were not so serious.

If you lived in Maywood, Ill., your tax rate this year would be \$11.37. Compare that with the Jacksonville rate of less than \$7 and remember again how fortunate you are to be a resident and tax payer here.

For more than twenty years Michael J. Kenna, long member of the Chicago city council and dubbed "Hinky Dink," has been held up for ridicule by certain Chicago papers and his political and public life acts condemned. Now Mr. Kenna has announced his withdrawal from public affairs and the conservative Chicago Post completes several paragraphs with the sentence: "Kenna never broke a promise."

That certainly is a high tribute to pay to a man at whom the public has long been educated to look askance.

The Illinois general assembly has adopted a rule which will be heartily approved by the people of the state when they consider it. This rule requires that all conference bills on appropriations shall lie on the desks of members for three days before action is taken. This rule will do away with the last hour appropriations when bills calling for large expenditures have frequently been put thru with very few of the work out members realizing just the significance of the measures. This rule carries into effect one of the provisions of the defeated constitutional convention reports.

The Jacksonville Pentagraph yesterday devoted a column and a half to recital of facts concerning the present city administration. Compliments are paid to Mayor Crabtree and his associates workers and emphasis is laid upon the thought that the forward movement here is the result of the effort made to have citizens work in a co-operative way.

Other articles on the Jacksonville plan are to follow. It is in-

teresting to note that the Bloomington paper is making a study of the local situation because of the fact that Bloomington not long since voted to abandon the commission form of government. It is not unlikely that an effort will be made to secure a no pay administration for Bloomington.

John Wamamaker's will reveals the consistency of his interest in philanthropic affairs. Special sums are given to various departments of the church in which he so long worked and after making provision for the members of his family, the great merchant set aside the bulk of his estate for the building of a home for Philadelphia boys whose misdeeds have subjected them to the law. Mr. Wamamaker died as he had lived.

Figures do not always tell the story but there is significance in the statement that construction work planned for this year in the U. S. will run to six billions of dollars. It will be well to keep this in mind when considering world conditions. One hears not infrequently that business is likely to be good for a few months but that no one can tell beyond that date. Certainly it is the volume of building mentioned will make for activity in many lines of business, no matter what disturbance may come abroad.

YOUR DREAMS

Did you ever have a dream in which you toiled until exhausted, then waken in the morning all tired out?

Rodger Dolan had such a dream last night. It seemed that he was far up in Canada, in a logging crew, and that he chopped wood hour after hour. Quitting time finally came. And just as Dolan was curling up in his dreamland bunk, for a sound sleep, the alarm clock woke him up.

"I wouldn't mind it so much," he says, "if I had any wood to show for my work."

Dolan wants to know why he was as stiff and aching, when he awakened, as if he had really put in eight hours with an ax.

A plausible explanation of this might be that the feeling of fatigue originates in the brain, where dreams are staged, and that exhaustion is telegraphed from brain cells to muscles and joints.

Here, again, we encounter the terrific force, imagination, along the Cone line of reasoning.

We recall a baseball pitcher who dreamed that he pitched a 30-inning game. Next day his arm was so sore and exhausted that he couldn't lift it.

Obviously, since his arm had not gone through the gestures of pitching during sleep, its fatigue was imaginary. Or, at least, it originated in magnation, then the imaginary condition was translated into actual exhaustion of bodily cells.

Conceding all this, it will appeal to most of us as a logical proposition, to endeavor to imagine that we are healthy and that our endocrine batteries are charged with plenty of reserve energy. The rule works backward the same as forward.

In the last analysis, our state of mind (imagination) dominates our actions. You saw this illustrated in the World war. People had to be worked up to a warlike state of mind (imagination) before they were ready to face the shrapnel and bayonets.

And there cannot be real peace in Europe until the people get into a peaceful state of mind—freed of hatreds, rivalries and stubborn refusal to admit the truth.

LAWRENCE COX IS HOLDUP VICTIM

Lawrence Cox, an employee of Myers Brothers, who resides about one mile and a half east of the city, was held up on the hard road near the Logan Black lane about 12:30 o'clock this (Saturday) morning and relieved of sixty cents, all the change he had on his person.

Cox had been to Alexander and was returning to Jacksonville when the holdup occurred. He said two men were implicated and had handkerchiefs tied over their faces. When they commanded him to "stick 'em up" he obeyed with alacrity. After getting his sixty cents the robbers jumped in a large touring car and made their escape.

SUITS FILED FRIDAY IN CIRCUIT COURT

In the circuit court Friday two suits were filed for hearing at the February term. Partition proceedings were filed for hearing at the February term. Partition proceedings have been brought by Mrs. Harriet R. Coffman et al vs. George H. Coffman, the land involved is part of the estate of the late James W. Coffman and is described as part of Lot 6 in Abner Yates subdivision of the west half of the southwest quarter of section 9-15-10. Carl E. Robinson is the attorney for the complainant.

A forclosure suit has been brought by Lydia M. Barrette directed against Louis E. Deppe et al. An indebtedness of \$2,500 is the basis of the suit, and W. T. Wilson is the legal representative of the plaintiff.

Mr. and Mrs. Edward Rohrig motored to Jacksonville yesterday from Winchester and spent the day shopping.

ALEXANDER RESIDENT PASSED AWAY FRIDAY

Death of Mrs. Charles Davis Came at Our Savior's Hospital As Result of Injury—Funeral to Be Held Monday Morning.

Death came at 7 o'clock Friday morning to Mrs. Annie Davis of the Alexander neighborhood. Mrs. Davis had been a patient at Our Savior's hospital for a very brief period and it was there that her death occurred. Death was due to an injury which Mrs. Davis sustained about a month ago while engaged in housecleaning. She struck her head against a door at that time and although nothing was thought of the incident at the time, she later suffered pain and was placed under medical care.

On Wednesday the condition of Mrs. Davis was such that she was brought to the hospital for a surgical operation. However, it was impossible to save her life and her death occurred as indicated.

The deceased was born July 5, 1887, in Sangamon county, a daughter of Mr. and Mrs. John Pointer. Her marriage to Charles Davis took place in Jacksonville October 9, 1908. Surviving are the husband and the following children: Arthur, Harold, Dorothy Orlando and Carl Davis. There are also three brothers, Isaac and Lewis Pointer of New Berlin and Richard Pointer of Indiana.

The remains were taken to the Gillham Funeral Home and Coroner Rose conducted an inquest there at 10 o'clock Friday morning. The jury included C. A. Dunlap, Howard Burch, J. L. Tayman, H. F. Garrett, Glenn Howard, Edgar Jones.

The funeral will be held at 10 o'clock Monday morning from the residence three miles northeast of Alexander. Interment will be made in Woodwreath cemetery.

REPRESENTATIVE MOORE VISITS CITY

Representative Samuel Moore spent Friday in the city inspecting the state institutions. It was thought that his interest was prompted by the desire of securing proper legislation on matters pertaining to the interests of state institutions and the institutions of this district in particular.

PLANNING TO PAY TRIBUTE TO REID

(By The Associated Press)
LOS ANGELES, Calif., Jan. 19.—Hollywood's film population and the thousands of friends here of the dead screen star, Wallace Reid, tonight were planning to pay final tribute to him at simple funeral services tomorrow afternoon at the First Congregational church in Los Angeles. Hundreds of floral offerings continued to arrive at the Reid home and at the Lasky Studio, where Reid starred in many comedies. Directors of Hollywood's many studios arranged to cease work shortly before the funeral so that all the workers in the industry might attend the last rites of the actor who lost his life in the fight to conquer drug and liquor habits.

From 10 a. m. until 2:30 p. m. Reid's body, clad in a tweed sport suit for this, his final role, will lie in state at the church and the public will be permitted to view it. At 3:30 o'clock the Episcopal service will be read by the Rev. Neal Dodd, pastor of St. Mary's of the Angels, after which officers of the Elks lodge will read the ritual of that order. Then Reid's body will be removed for cremation.

Active: William Desmond, William S. Hart, Edward Brday, Noah Beery, Eugene Pallette and Benjamin Frazee.

Honorary: Jack Holt, Sam Wood, Theodore Roberts, Conrad Nagel, Antonio Moreno and Victor H. Clarke.

THE DAY'S EVENTS IN WASHINGTON

President Harding still laid up with grippe was reported considerably improved.

Without a record vote the senate passed and sent to the house the Copper rural credits bill.

Carrying \$12,000,000 the legislative appropriation bill, framed by a sub-committee headed by Uncle Joe Cannon was reported to the house.

The senate banking committee decided to make inquiry into banking connections of James G. McNary, New Mexico, nominated to be controller of the currency. Union Pacific opposition to the continuance of the Southern-Pacific-Central Pacific merger was conditionally withdrawn at an interstate commerce commission hearing. The house passed the army appropriation bill carrying \$33,000,000. It added nearly \$20,000,000 to the \$37,000,000 provisions for river and harbor improvement and provided \$6,95,000 for completing dam No. 2 and power units at Muscle Shoals.

Church Organizations

Pledge Party of Grace Society.

The Woman's Foreign Missionary society of Grace church held its annual pledge party yesterday afternoon at the home of Mrs. Herbert Capps on West College avenue. The assistant hostesses for the affair were Mrs. H. L. Griswold, Mrs. W. D. James, Mrs. W. O. Baumgartner, Mrs. Stella Johnson, Miss Ida Lee and Mrs. T. V. Hopper, Mrs. Nelson McMurry and Mrs. E. D. Herald.

At this meeting the members pledged their support to the work of foreign missions and a program was given during the afternoon. Mrs. James I. Graham made a short talk on the need for the pledges and this was followed by an informal musical program. Mrs. B. F. Lane played a piano solo, Miss Catherine Parker and Miss Wilma Williamson sang several vocal solos and Miss Hall and Miss Giffill from the Expression Department at the Woman's College gave readings. After the program there was a social hour and refreshments were passed by the hostesses.

Washington, Jan. 19.—The army appropriation bill, carrying \$33,000,000 was passed tonight by the house after the rivers and harbors bloc had put thru an amendment increasing the item for waterway projects from \$37,000,000 to \$56,589,000 and the item from completing the Muscle Shoals dam and power project had been accepted.

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole. Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it may prevent pneumonia), 5c and 65c, jars and tubes.

Better than a mustard plaster

GERMANY WILL STILL RESIST

(By The Associated Press)
BERLIN, Jan. 19.—Baron Von Rosenberg, German foreign minister in an interview by the Tageblatt, declares there has been no relaxation in the government's determination to resist the measures taken by the French in the Ruhr for the collection of reparations.

The government, he said continued unswervingly along the line laid down by Chancellor Cuno in his speech before the Reichstag last Saturday. Its policy was one of aggressive moral resistance against an act of violence in bringing Germany sovereignty and subjecting German territory to a foreign domination.

He concluded that he was still as convinced as before that the French enterprise would end in failure.

PLAN VISIT IN FRANCE
Mrs. J. Miller Keplinger and Miss Winifred Keplinger of Franklin are planning a visit next spring to Mrs. Keplinger's girlhood home in Aix-les-Bains, Savoy, France. During the summer they will visit Paris and other cities of the continent. The trip is planned to begin in early June, when Miss Keplinger is released from her duties as a member of Tennessee College faculty, Murfreesboro, Tenn.

VISITS J. W. LANE
Miss Dolly Lane of Barry, Ill., is making an extended visit with her brother, J. W. Lane, 845 West State street.

BEARDSTOWN MAN NEW WATERWAY HEAD

(By The Associated Press)
CHICAGO, Jan. 19.—R. H. Garm, of Beardstown, Ill., was elected president of the newly organized Illinois Waterways' association today. George E. Stephens, Chicago, was chosen secretary.

Among persons present at the meeting were Senator F. O. Hansen, Bloomington, Representative W. H. Brinkman, Chicago; Joel L. Smith, Pekin; Col. Fred Bennett, Joliet, and E. T. Harris of Chicago; chairman of the waterway committee of the Illinois Manufacturers' association.

As a rule, the silent partner has a good deal to say.

BUSINESS COURSES FOR ARMY OFFICERS

Tokio.—In order to prepare military officers who might be discharged in consequence of the military organization, a special course of business lectures has been organized. The new institution will be opened January 11 and will continue for half a year. The students will be given lessons on commercial transactions, accounting, industrial possibilities, factory law, labor questions and other subjects essential for activity in business. The course is placed under Lieut-general Shirakawa and Major General Takegami.

George Hubbs of Prentice was attending to business matters in the city Friday.

ILLINOIS COLLEGE PLAYS ST. LOUIS U.

Game Scheduled for Tonight in David Prince Gymnasium—Will Start at 8 o'clock.

Coach Harmon's Illinois college squad tackles another tough foe tonight when St. Louis university will be played in David Prince gymnasium.

Last year Illinois defeated St. Louis in a close game here and the visitors evidently will be looking for revenge tonight. The blue and white will be trying strenuously to make it two straight.

St. Louis lost to Drury college Wednesday by a score of 23 to 17, so it is easily seen that Illinois will have her work cut out for her in the tilt this evening. Two of St. Louis' stars are Hurd and Hannegan, who play the forward positions, and the Illinois guards will find these men a hard problem to solve.

Illinois took a light workout last night in preparation for the game. It is probable that Coach Harmon will start the same lineup as that used in the Drury game.

The game will start promptly at 8 o'clock. So far Coach Harmon does not know who the official will be. He will come from Bloomington probably but it is difficult to get an official for a Saturday night game unless he has been booked a long time in advance. Following the main game the soph and freshmen will play an interclass game.

VIRGINIA HIGH IS SWAMPED BY ROUTT

Local Tossers Won Easy Victory Over Cass County Team—Final Score Was 39 to 12.

Route high swamped Virginia high in the game played in Liberty hall Friday evening. The final score was 39 to 12 in favor of Route.

There was not much to the game after it had been going for a few minutes. The Route boys played so fast that Virginia players got dizzy watching the ball go thru the hoop.

Gebert and Norris each made more points than Virginia's entire total. Gebert tossed seven field baskets and three from the foul line while Norris got a total of seven field baskets.

The Route boys displayed some great team work and gave an excellent exhibition of passing. The Virginia guards were unable to stop the Route offense which scored almost at will. Gebert, Norris and Trahey did the offensive work for Route while Mallen and Doyle did some fine guarding, being able to stop the Virginia attack without much trouble.

For Virginia Davis was the only man who was able to break thru the Route defense. He got 11 out of the 12 points made by his team. Flannigan scored the other point with a free throw. The score:

CUTICURA HEALS PIMPLY RASH

On Daughter's Face, Hands and Arms. Itched Badly.

"A red, pimply rash broke out on my daughter's face, hands and arms. Later the pimples filled with a watery fluid which dried and scales formed. The pimples itched and burned so badly when they first broke out that she scratched them, making them worse. Her clothing irritated the breaking out, causing much suffering and annoyance.

"We began using Cuticura Soap and Ointment and after the first application they relieved the itching. We continued using them and in one month she was healed." (Signed) Mrs. V. L. Davis, Cora, Mo.

ATHENS TRAMPS ON JACKSONVILLE HIGH

Defeated Locals Before Overflow Crowd 32 to 15—Visitors Present Real Basketball Team.

Athens high continued its victorious march last night when it defeated Jacksonville high before an overflow crowd in David Prince gymnasium. The final score was 32 to 15.

The game started off at a furious clip which was maintained thruout by both teams. The locals held Athens fairly well in the first half the score being 10 to 8 in favor of the visitors at the half time period.

In the second half, Athens got its scoring combination in working order and soon ran away with the game. Jurkonis, Reinders and Howard dropped in baskets with great regularity, being especially good on long shots which they tossed with uncanny accuracy.

While Athens was rolling up a total of 22 points in the second half, Jacksonville was able to get but seven.

Jurkonis, Reinders, Hicks and Howard did Athens scoring. For Jacksonville Hunter, Harrison, Putnam, Hunt and Hopper scored the points. It was a tough game to lose but Athens just had it on the locals who were not going as well as usual while the Athens men had their eye on the basket and were going at top speed. The score:

CHICAGO WINS FROM OHIO STATE

CHICAGO, Jan. 19.—The University of Chicago defeated Ohio State university at basketball tonight, 34 to 30.

The game started slowly, the Buckeye visitors taking a 7 to 1 lead and finishing the first half 14 to 12. Chicago then rallied and rolled up 22 more points.

Dixon at right forward for the Maroons landed nine baskets and made the last two points for Chicago with a sensational throw from the middle of the floor.

LOMBARD DEFEATS KNOX COLLEGE 19-14

GALESBURG, Ill., Jan. 19.—Going into a lead at the start the Lombard basketball team emerged victorious in the game with Knox tonight, 19 to 14. Knox picked as the favorite, never led the Lombard five and the winners outclassed the Siwash at every stage of the game. Meyers, Murphy and Lamb starred for Lombard and Captain Campbell showed well for Knox.

SPORTSMEN'S LEAGUE ELECTED OFFICERS

The Jacksonville branch of the Illinois Sportsmen's league held a largely attended and very enthusiastic meeting at the Chamber of Commerce last evening. The general routine of business was transacted, besides the election of officers for the ensuing year. The officers this year are F. L. Sharpe, president, and H. E. Wheeler, secretary - treasurer, both re-elected. The league adjourned to meet at the same place on the last Friday evening in March.

Birthday Surprise

for Mrs. T. J. Wilson.

Friday was the birthday of Mrs. T. J. Wilson, 633 East Morton avenue. In honor of the event a number of the neighbors and friends of Mr. Wilson appeared at her home with well filled baskets, giving her a pleasant surprise. At noon a fine dinner was served and the affair proved a most pleasant one in every respect. Those present were: Mrs. Susan McLamar, Mrs. Lou Fanning, Mrs. Ed Story, Mrs. L. T. Mills and son, Mrs. Patterson, Mrs. Sam Young, Mrs. Carl Myers, Mrs. Warren Blimling, Mrs. Y. D. Day, Mrs. Frank Story and Mrs. Charles Curtis.

At Home Cards Issued.

President and Mrs. Harker have issued At Home cards for Saturday, January 27, to graduates and former students of the College. During recent months an effort has been made to secure names and addresses of all who have ever attended the College, and all such will be cordially welcome.

Hostess to Fine Point Club

Mrs. Henry W. English was hostess to the members of the Fine Point Club Friday afternoon at her home on West College avenue. The afternoon was delightfully spent with fancy work and at the close the hostess served a dainty luncheon.

Bridge Party At Hamilton Home

Mr. and Mrs. C. F. Hamilton entertained a number of friends at bridge last evening. Three tables were made up for cards and a delightful evening was spent in playing. A three course supper was served during the evening and Mrs. Hamilton was assisted in entertaining by Miss Genevieve Bucknell of the Tea Tray. Attractive favors and flowers used in decorations added to the completeness of the function.

Give Shower For Bride Pledge Cards of Grace

Mrs. William Hembrugh, who is a bride of a few weeks, was the guest of honor at a surprise party given at her home on Hardin avenue Friday evening. The affair was a kitchen shower and was planned by the Queen Esther Bible class of Grace church of which Mrs. Hembrugh is a member. The young ladies took gifts and refreshments and went to Mrs. Hembrugh's home about eight o'clock and spent the evening. Mrs. Charles Hopper is the teacher of the class.

CHAMPAIGN, Ill., Jan. 19.—Illini wrestlers defeated Purdue grapplers tonight 19 to 8, Illinois aking two falls and three decisions and the Boilermakers one fall and one decision.

Captain Bud Trenkle, Illini star was injured in his bout with Captain Dye of Purdue in the 145 pound class when he struck his elbow on the floor as the two fell and the Illini lost by decision. Jim McMillen pinned Ramsdell with a double wrist lock and body scissors in the heavy weight class in eight minutes and 18 seconds and F. Laase in the 175 pound class pinned Kasmussen with a double wrist lock at a moment when it looked like he himself was going to be downed.

FRENCH ASSUME THE OFFENSIVE IN RUHR

(By The Associated Press)

DESELDORF, Jan. 19.—France is engaged in fighting its economic battle of the Marne along the lines of the river Ruhr and the Rhine canal.

Suddenly assuming the offensive in this titanic struggle after having been on the defensive for more than a week, France tonight has taken the lead in the financial and economic operations and the French mission claims to have Germany retreating along the entire front. Seven arrests of the extension of the Rhine canal to the Ruhr, the requisitioning of 21,000 tons of coal, the re-opening of branches of the reichsbank and private banking institutions tomorrow after a half day's shutdown and failure by their men to strike this afternoon as they had been ordered to do by the Berlin government are the day's successes which a French might record were a communique issued.

The directors of the Bermandsgluck, Westernhold and Rhine and Baden works in the region of Bochum and the director an dsb-director of Maller-schochte mine in the region of Gladbach, who refused to obey French orders to turn over their records and assist the French in operating their plants were arrested and joined Dr. Schlutius, president of the Dueseldorf state finance department and Mine Director Rochstein in the Dueseldorf jail, where the French say they will be treated as political prisoners. French troops occupied the pits and coke ovens which the directors refused to hand over to them and tomorrow French engineers will take charge of their exploitation.

New Lamp Burns 94% Air

Beats Electric or Gas

A new oil lamp that gives an
amazingly brilliant, soft, white
light, even better than gas or
electricity, has been tested by the
U. S. Government and 35 leading
universities and found to be su-
perior to 10 ordinary oil lamps.
It burns without odor, smoke or
noise—no pumping up, is simple,
clean, safe. Burns 94% air and
6% common kerosene (coal oil.)

The inventor, J. L. Johnson,
609 West Lake St., Chicago, Ill.,
is offering to send a lamp on 10
day's FREE trial, or even to give
one FREE to the first user in
each locality who will help him
introduce it. Write him today
for full particulars. Also ask
him to explain how you can get
the agency, and without experi-
ence or money make \$250 to \$500

No more Rheumatism

"Suffering has gone
from your face, mother!"

S. S. S. Is the Great Builder of Red-
Blood-Cells and Rheumatism
Must Go! Just Try It!

"Rheumatism? Me? No, indeed, it's
all gone, every bit of it! It's sun-
shine and joy for me now for the first
time in years. I feel a wonderful
glory again in the free motion I need
to have when my days were younger.
I look at my hands and think of the
twists and swellings they used to have.
I bend way over to the floor. I haven't
been able to do that in many years.
I can thank S. S. S. for it all! To
me it was a rising sun of joy and lib-
erty. Brothers and sisters in misery,
do not close your eyes and think that
health, free motion and strength are
gone from you forever! It is not so.
It is here and now for all of you.
S. S. S. is waiting to help you. There
is a reason why S. S. S. will help
you. When you increase the number
of your red-blood cells, the entire sys-
tem undergoes a tremendous change.
Everything depends on blood-strength.
Blood which is minus sufficient red-
cells leads to a long list of troubles.
Rheumatism is one of them. S. S. S.
is the great blood-cleaner, blood-
builder, blood strengthener, nerve in-

FIRST MEETING ON AERIAL TRUCK HELD

Business Men, Officials and Mem-
bers of the City Council Con-
fer With Representative of Fire
Engine Company Friday Eve-
ning.

The first move in the hunt for
a suitable aerial fire ladder
equipment for Jacksonville was
made Friday evening when mem-
bers of the city council, Mayor
Crabtree, Chief Hunt and mem-
bers of the business men's com-
mittee, met with a representa-
tive of a company handling such

equipment. The meeting was
held at the Chamber of Commerce
headquarters.

Glenn T. Scott, a representative
of the American La France Fire
Engine Co. of Chicago, explained
the aerial ladder handled by his
company to an assembly of offi-
cials and business men. This par-
ticular fire fighting apparatus
consists of a 55 or 65 foot aerial
ladder, which raises from the
truck by a spring arrangement
which is instantly released by a
lever. The ladder carries a pipe
line, to which can be attached
one to three hose lines from
pumpers. At the upper end the
pipe is fitted with adjustable noz-
zles, and will shoot any size

stream up to an inch and a half
in diameter.

With this arrangement the
hose can be put in the windows of
three story buildings, or even on
the roof and the water can be
shot directly into the flames at
any point in the structure. The
pipe line on the ladder acts as a
water tower for the throwing of a
stream.

The men who were present at
the meeting Friday evening were
unanimous in the belief that Jack-
sonville is greatly in need of an
aerial equipment. The one ex-
plained by Mr. Scott would cost
about \$15,000. The members of
the business men's committee who
are acting in co-operation with

the mayor and city council in the
hunt for an aerial truck are:
Lloyd S. Reid, chairman; A. R.
Taylor, J. W. Merrigan, L. L. Ho-
ren, Henry Frisch, William Brady
and H. J. Rodgers.

It has been decided to discuss
the matter of the truck with rep-
resentatives of several companies
and eventually to advertise for
bids.

MR. NEWTON DROWNED WHILE HUNTING

Husband of Well Known Jacksonville Woman Met Tragic Death.

Mrs. Merrill Newton and infant son accompanied by Mrs. Newton's mother, Mrs. George W. Sargent, arrived in Jacksonville Friday night coming from Sparta, Wis. A message received recently told briefly of the drowning of Mrs. Newton's husband. The sad happening occurred at a lake resort thirty miles distant from Gallup, New Mexico, where Mr. Newton was in charge of a cartridge manufacturing plant.

With other business men of the city Mr. Newton had gone to the lake duck hunting. In an effort to reach a duck he had shot Mr. Newton fell in the water. It was not of great depth at that point, but he became entangled in the undergrowth in such a way that he was drawn beneath the water and drowned before he could be rescued by his companions.

Within a short time Mr. Newton's encauffeur with the assistance of others recovered the body. Every known means for resuscitation was tried but the unfortunate man gave no signs of returning consciousness.

The remains were taken to Mr. Newton's home city, Sparta, Wis., where his principal plant is located. Mrs. Newton has by no means recovered from the shock of her husband's death and is expecting to remain at the home of her parents here in Jacksonville for several months.

DEATHS

Moss
Mrs. Anna J. Moss died at 3:25 o'clock Friday evening at her home, 308 Anna street. She had for 14 years been a resident of Jacksonville, coming here from Paris, Mo., her birthplace and early residence. She was 68 years of age, and a member of Bethel A. M. E. church.

Her death came after an illness which became acute Sunday Dr. J. U. Day being called. She had not been able to be about for some time, and frequently sent messages to her granddaughter, Mrs. Dorice Bibb, now in a local hospital, of regret at not being able to visit her.

Mrs. Moss is survived by two daughters, Mrs. Letha Burton of Jacksonville and Mrs. Lottie Jackson of Hannibal, Mo.; by one son, Frank Moss, living in Texas; by eight grand children and two great-grand children, and by brothers and sisters as follows: Tom Jackson, Jacksonville; Mrs. Sarah Arbuckle, Jacksonville; Mrs. Nancy Dishman, St. Louis; and Mrs. Mary Thomas, Keokuk, Iowa.

Funeral arrangements await the return of Mrs. Jackson from Hannibal where she was called two days ago by the illness of her son.

RETURNS FROM CONVENTION
Morgan county men who were in attendance at the eighth annual meeting of the Illinois Agricultural association have returned home. The sessions were held at the Morrison hotel and men of national prominence discussed themes of interest to farmers and landowners.

Among those in attendance were Charles S. Black, Newton Rohrer, G. B. Kendall, Lester Reed, Charles Gibson and H. E. Kltner.

PLAN ANNIVERSARY OF FRANKLIN CHURCH

August 15 Will Mark Passage of Thirty Years—Sacred Heart Parish Will Have Celebration of Week.

Probable celebration of the entire week of August 15 is planned for the thirtieth anniversary of Sacred Heart church at Franklin by Rev. Father A. Smith and his parishioners. August 15 was the date of the laying of the corner stone for the present edifice, which replaced a wooden church built 36 years ago and destroyed by fire in 1893.

Rev. Father P. J. O'Reilly, now of Springfield, was parish priest at the time of the fire, and led in the work of securing the new building. Heavy debts were incurred in the construction, which have practically been wiped out.

In the meantime desirable additions have been made to the church property and paid for, and the plan this year is to fresco the interior of the church, work which will probably cost several thousand dollars.

Mrs. E. J. Peck of White Hall returned to her home Friday afternoon after spending a few days with her parents. Mr. and Mrs. A. D. Conley, 820 South East street.

FRESHMEN WIN PRIZE IN I. C. STUNT CONTEST

Record Crowd at President's Reception—Winners Give "John Smith" Parody.

The Freshman class of Illinois College won ten pounds of candy as the result of being adjudged the perpetrators of the best class stunt at the annual reception given by President and Mrs. C. H. Rammelkamp last night at their home. The winning sketch was a parody on John Smith and Pocahontas.

A record attendance of approximately 275 students of the college and conservatory stimulated the actors to their best efforts. The Juniors, who received honorable mention, presented a take-off on a monthly faculty meeting. The Seniors parodied a country school entertainment. The Sophomores presented "Dorm Rats" in four scenes, Morning at the Dorm, Chapel, the Club and Night at the Dorm.

In the prize winning stunt Charles Hopper as Captain John Smith, played opposite Adele Lukey, as Pocahontas, and Reginald Reid took the part of Chief Powderkamp. Mary Jeanette Capps and Theodore Scott were Nuts, and Benny Negas and John Fenoglio were Squirrels. Trees were enacted by Elizabeth Scott, Anna and Margaret Jones and Charles Clark, and they were stirred by the North Wind, Ernest Savage, Janet Brown with a Sprinkler, personated the Reir of Silence. Sarah Russel was the Situation and at the end, Ardene Linder, as the Curtain, fell over Josephine Milligan, as the Scene.

Refreshments of ice cream, macaroons and candy were passed by Misses Mabel Rogers, Annabel Drury, Mary Jeanette Capps, Helen Turner, Catherine Wilson, Marie Gregg, Josephine Milligan, Edith Putnam, Ardene Linder and Sarah Russel, and upon receipt of her prize by President Edward Akers, the Freshman class surprised all by going "dibs" on the treat with all assembled.

WINCHESTER BUSINESS MEN HELD MEETING

Elected Officers for Coming Year at Meeting Held Friday Night—Other Winchester News.

Winchester, Jan. 19.—The Winchester business men held a meeting Friday night at the Imperial store and elected the following officers:

President—W. S. Roosa. Vice President—James Overton.

Secretary—J. W. Dace. Treasurer—Albert Hains.

The committee reported on by-laws which were adopted and the men present pledged themselves to closer co-operation for the best interests of Winchester.

News Notes.
Edward Baisley of Galesburg, arrived Friday to visit relatives and friends and to attend to business matters.

Rev. Carl Corrie left on an early train Friday morning for St. Louis, where he will meet Mrs. Corrie. The latter has been at Hot Springs for a period of rest and is returning home considerably improved in condition.

George Glossop returned Friday to Tulsa, Okla.

Mrs. William Wainwright and son and daughter of Jacksonville are here for a visit with relatives.

"Tollable David" was presented at the Lyric theatre Friday night before a crowded house. The presentation was for the benefit of the Household Science department of the Woman's club and a tidy sum was realized.

Mrs. Harold Birk entertained a number of friends Friday evening at her home on North Main street. Luncheon was served at 7:30 o'clock and the entire evening was very much enjoyed by those present.

Mrs. Ollie Woodall and Mrs. John C. Moore were Jacksonville visitors Friday.

JOY PRAIRIE SHIPPING CLUB HELD MEETING

Annual Business Meeting Held at Home of Chris Horner—Officers and Directors Chosen.

The Joy Prairie Shipping Club held their annual business meeting at the home of Chris Horner, with thirty-three members in attendance. The election of officers was one of the matters given attention and the following were re-elected:

President—Harry Ogle. Secretary—J. W. Rawlings.

Manager—Louis C. Meyer. Directors named were as follows: Chris Horner, Richard Standley, J. W. Rawlings, Clarence Roeger and Harry Ogle.

The report of the manager indicated that the club has shipped forty-three loads of livestock since it organized eight months ago. These shipments included 2,657 hogs; 223 cattle and 214 sheep, with a valuation of \$64,223.22 at the St. Louis market.

The club is proud of the fact that although 2,657 hogs were put on the market, there was the loss of but one hog which would come under an insurance clause. The club has a membership of 114 and the new year begins with excellent prospects for business. The club extended a vote of thanks to the manager for his satisfactory services during the past months.

ROTARY CLUB MET WITH COL. O. C. SMITH

Splendid Address Made By Lieutenant Colonel Nunan of Illinois National Guard—Tells Rotarians Some Plain Facts About Local Company.

Lieutenant Colonel Charles W. Nunan of the 130th Infantry, I. N. G., whose headquarters are at Champaign, Illinois, made an address before the Rotary Club meeting Friday. The club members were the guests of Col. O. C. Smith at the Illinois State School for the Deaf.

The dinner was served in the south dining room of the school and was attended by a large body of Rotarians. Colonel Smith had as guests in addition to the Rotarians, Captain Wesley James of the local Howitzer company; E. A. Gruver, superintendent of the Iowa State School for the Deaf, Council Bluffs, Iowa, Representative Samuel Moore of Williamsville and Lee Sullivan of Jacksonville.

Mrs. O. C. Smith had charge of the dining room and was assisted by Miss Grace Hasenstab, Misses Irene Smith, Maude Eva Hackett, Dorothy Cully and Lucile Harber. Fred Meyers orchestra from the School of the Blind furnished music during the dinner.

A very elaborate dinner was served consisting of Chicken pie, baked fish and everything that goes to make up a good dinner. A pretty program and money card was at the place of each Rotarian. Dr. A. H. Dolear, vice-president of the Rotary club called the meeting to order and then turned the gavel over to Colonel Smith, who introduced Lieutenant Colonel Nunan as the principal speaker.

Lieutenant Colonel Nunan opened his address by calling attention to the needs of the Illinois National Guard. He said the average citizen paid little attention to the guard company in his home community. He said emphasis on the fact that the national guard today is really the first line of defense as the regular army had been "cut to the bone." He said the guard should be made up of young men, saying that the men who served in the world war had done their bit for their country and that the young men reaching the age of 18 should be the ones to carry the burden. He said that if a man started to serve his country at the cradle and continued thruout his life that he could not pay his debt to his country.

Politics Barred in I. N. G.

Lieutenant Colonel Nunan said that the question of politics and religion was scudiously barred from the national guard. He said that he would leave the service if he had to listen to the dicta of politicians. "In the 130th Infantry there were 60 officers," the speaker said, of this number 54 are Masons and 51 Shriners, while I am a member of the Knights of Columbus. He said that the officers of his regiment were the finest type of men to be found in the world.

Speaking of the local situation the officer said that the citizens should get behind their company. The officers and men needed encouragement and that the local company was on the "danger line." With the federal inspection set for February and March the local company will be required to get into first class condition to stand the rigid inspection of the regular army officers. It was up to the citizens whether the company remained here or was mustered out. In going after recruits the officer suggested that the "white collar" boys were the ones to go after. He said that they really needed military training. The working man was generally in condition to meet the hardships of strenuous military duty. "No man is too good to wear an army uniform," Col. Nunan said.

The period of enlistment in the national guard is for three years and re-enlistment for one year. The men are paid if they attend 60 percent of the monthly drills.

In speaking of the European situation Colonel Nunan said "I hope France won't weaken." He said that for six months after the armistice was signed the great Krupp Works continued to grind out rifles and other war materials. In accordance with the Versailles treaty Germany turned over 500 worn out engines and 100,000 broken down freight cars to the allies but retained all their good equipment. While Germany's army has been cut to 41,000 men it is made up of commissioned and non-commissioned officers of the old army. Colonel Nunan said that while the Craig Military School had been closed its system was still being taught in every town in Germany. Railroad cars in Germany being put into service now were not lettered like American cars, such as so many pointed capacity but were lettered as being able to carry so many "men, guns and horses."

Colonel Nunan asked the questions: "Are we safe?" How soon are we going to need soldiers?" He answered by saying "No one knows."

He said that France was sick and feared Germany as did Belgium and Italy who were separated from Germany only by imaginary lines.

Chances for Armory

Colonel Nunan was asked what the chances were for Jacksonville to get an armory. He replied by saying that he understood that the administration as a matter of economy had practically decided that no new buildings were to be undertaken during the next two years. An armory to meet the needs of the local company could be constructed at a cost of approximately \$50,000, but that in all

MYERS BROTHERS

probability Jacksonville would want an armory costing \$300,000 as was the case in most cities. He said that he would rather see a uniform building plan carried out similar to that now being vogue in Ohio and some eastern states.

"I would rather see six armories costing \$50,000 each constructed in six cities than to see one armory costing \$300,000 given to one city. Most cities really wanted an armory which could be used as a convention hall and were not asking for the armory for the sole purpose of supplying the local military company with headquarters. In some cases armories had been built in cities that had no military companies," Mr. Nunan said.

The meeting was one of the best ever held by the local Rotary club and Colonel Smith as usual proved himself a splendid host.

TO REMOVE SHOT FROM CULLY'S SHOULDER

Elmer Cully is reported still improving gradually at Our Savior's hospital, and although he is not able to be moved for x-ray examination the bullet which has been located near the surface of the left shoulder will be removed this morning by Dr. F. A. Norris. Little fear is entertained now for complications which might prevent Cully's recovery.
